

GREEN DESIGN

We design and manufacture the industry's most environmentally friendly and technologically advanced dehumidification equipment.

Our Green Design ensures that owners, contractors and engineers can create the optimal indoor pool environment.

PPK SERIES

Superior Innovation

The PPK Series is considered one of the best green dehumidifiers. When coupled with PoolPak's Dry Cooler Technology, the PPK Series offers significant savings in refrigerant use.

GREEN DESIGN FEATURES

- Utilizes up to **85% less refrigerant charge!**
- **Lower environmental risk** and additional LEED points (due to less refrigerant charge)
- Energy efficient: PoolPak's proprietary heat rejection design makes the PPK Series **5-7% more efficient** compared to all traditional DX systems throughout the year.
